Green Deen Ibrahim Abdul-Matin 2013-01-21
A Muslim environmentalist explores the fascinating intersection of environmentalism and Islam. Muslims are compelled by their religion to praise the Creator and to care for their community. But what is not widely known is that there are deep and long-standing connections between Islamic teachings and environmentalism. In this groundbreaking book, Ibrahim Abdul-Matin draws on research, scripture, and interviews with Muslim Americans to trace Islam's preoccupation with humankind's collective role as stewards of the Earth. Abdul-Matin points out that the Prophet Muhammad declared "the Earth is a mosque." Using the concept of Deen, which means "path" or "way" in Arabic, Abdul-Matin offers dozens of examples of how Muslims can follow, and already are following, a Green Deen in four areas: "waste, watts (energy), water, and food."

A Little Book of Mystical Secrets Maryam Mafi 2017-04-01

At long last, an accessible little book that focuses on the teachings of Rumi’s teacher and inspiration, Shams of Tabriz. Included in this slim, charming volume is a biographical sketch of the great Sufi teacher and mystic and a new translation of 500 of his core teachings that bring into fresh relevance the meaning and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, students of Sufism, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you may get hurt by its wounds. I won’t keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

The Rumi Prescription Melody Moezzi 2021-03-02

A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi’s inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In The Rumi Prescription, we follow her path of discovery as she translates Rumi’s works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi’s poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn—despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. • You went out in search of gold far and wide, but all along you were gold on the inside. • Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. • You already own all the sustenance you seek. If only you’d wake up and take a peek. • Quit being a drop. Make yourself an ocean.

Outrageous Openness Tosha Silver 2016-07-12

A "playful, enlightening, and creative collection" (Spirituality and Practice) of spiritual lessons, anecdotes, and thoughts on the Divine’s intervention in our lives, this brillianty written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. "What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who’s writing us love letters every day that we never go unopened?" Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns. "How do I stop reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.
worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created Outrageous Openness. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life’s big questions as they spontaneously arise. Outrageous Openness opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.

historical figure whose work has persisted over

centuries. The universal nature of his writing has managed to transcend national and cultural boundaries and his poems have been cemented in the curricula and imaginations of people around the world. Jalal ad-Din Muhammad Rumi, more commonly known as Rumi, was born in 1207. The exact date of his birth is unknown, and the suspected date varies depending on the historian. Scholars have had better luck narrowing down his place of birth. Rumi was either born in Kandahar, which is
located in present-day Tajikistan or in Balkh, present
day Afghanistan. His father was a theologian and a
jurist, a man whose work would arguably impact the
course of young Rumi’s life. It is difficult to separate
the man from the myth when outlining Rumi’s family

background. There are claims that Rumi’s family was
descended from the Caliph Abu Bakr, one of the Prophet Muhammad’s trusted advisors. Historians have largely
classified this a myth along with other claims that tie
the family’s lineage to royalty. Teaching of Rumi Andrew Harvey 1999-07-06 Jelaluddin Rumi (1207-1273) led the quiet life of an Islamic
teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish
named Shams Tabrizi—through whom he encountered the
Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of

mystical poetry the world has ever seen, and the
establishment of a spiritual movement that would
eventually stretch from Africa to China, enduring to our
own day. This collection of versions of Rumi by Andrew Harvey contains the astounding compilation of over 24,000 verses, along with selections from his lesser-read prose
works, with the aim of presenting a balanced view of his
teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

The Forty Rules of Love

Elif Shafak 2010-02-18 In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of The Island of Missing Trees (a Reese’s Book Club Pick), incarnates Rumi’s timeless message of love. The Forty Rules of Love unfolds two tantalizing parallel

stories—here and the other side in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi’s work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of
Shams’s search for Rumi and the dervish’s role in transforming the successful but unhappy cleric into a
committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that
offer insight into an ancient philosophy based on the
unity of all people and religions, and the presence of
love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that
Zahara—like Shams—has come to set her free.

Rumi’s Little Book of Love and Laughter

Coleman Barks 2016-10-01 Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human possibilities in Rumi’s verse. In his masterful translation of the notorious “Latin parts” that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the
soul. The stories are exuberant, earthy, and bursting
with vitality—much like a painting by Hieronymus Bosch or Chaucer’s Canterbury Tales. The characters are
scandalous, lecherous, ribald and possessed of opened souls. Barks writes: “These
teaching stories are a kind of scrimshaw—intricately
carved, busy figures, confused and threatening, and
weirdly funny. This is an entertaining collection from

inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these
startling and rich poems range from the “wholeness” one experiences with a true lover, to the grief of a lover’s
loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep
friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all “the magnificent
regions of the heart,” and he opens you to the lover

complex truths in beautiful yet simple language. He reveals that by going deep into the interior of our heart and soul, we can arrive at a place in which we once again merge and connect with the divine. This mystical quest, Rumi contends, is the birthright of us all. Anything less than a complete dissolving into the world of divine union will not provide the satisfaction and peace that we all seek. The simple, yet profound spiritual truths and visions contained in The Rubais of Rumi lead the way to the path of reconnection to the direct energies of God.

This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi’s voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi’s translations delicately reflect the nuances of Rumi’s poetry while retaining the positive tone of all of Rumi’s writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

**Mystical Poems of Rumi Jalal al-Din Rumi 2013-04-15** My verse resembles the broad of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi’s love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. Mystical Poems is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world’s greatest poets. “Rumi is one of the world’s greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students.”—James W.
