Rumi's Little Book Of Life

Rumi's Little Book of the Heart Maryam Maath 2016-06-01 In this slender volume, Rumi explores the joy of friendship and the agony of loss. These poetic meditations on the most profound of human relationships are like crystals: they sparkle with the many hues of the rainbow and contain worlds within them. "Rumi's poetry is an enchanted mirror," the author writes. "It is a mirror that reflects people's own relationships, to experience again the intensity of friendship, the ache of love, and the profundity of introspection into the depths of the soul, teaching how to treasure and to share. Previously published in hardcover as Whispers of the Beloved. Imitating others, I failed to find myself; I looked inside and discovered I only knew my name. When I stepped outside, I rediscovered that my name was humanity."

The Illuminated Rumi Jalal Al-Din Rumi 1997 Illustrates and presents poems by the poet and scholar Jalal al-Din Rumi (1207-1273) to bring us a closer understanding of his life and work. "Rather than being a formal translation which aims to duplicate the original, this book is less a literal translation and more a spontaneous re-creation of the original, a spiritual gestation of the beloved by those who have imbibed his sense of love and devotion." It was selected as the best international book in 1996 by the International Book Fair in Islamic Art in Berlin. It features twenty fully illuminated afghani calligraphy paintings with the poem and the Arabic text. The original is also available in English, German, French, and Japanese.

The Rumi Prescription Melody Moezzi 2021-03-02 A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th-century poet. Rumi's prescription is a roadmap to help anyone develop their own unique path to inner peace and fulfillment. To write and to be a poet, she became a lifetime of practice. In The Rumi Prescription, we follow her path of discovery as she translates Rumi's work for herself— to gain wisdom and insight into the face of a creative thorn, and help others to do the same. She immerses herself in this rich body of work, and discovers a 13th-century prescription for modern-day heartache, frustration, depression, fear, and other everyday challenges. We face the book as a roadmap for living with our wounds and embarking on a journey through every turn—despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we are all connected and that the most challenging moments will make us stronger and wiser. Rumi answers her question. From playful to pastoral, from majestic metaphysical poetry to paean to love, they show that Rumi's God is not in the mosque or temple, but within the soul. Rumi: The Big Red Book Coleen Bark 2009-10-13 "Really, what other book would you ever need?" —Naomi Shihab Nye, author of Honeybee "Elegant and exquisite." —Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 13th-century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Maath and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's poetry is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within—out of the everyday "world of dust"—through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.
